

OTAUTAU SCHOOL

February 2012

Dear Parents / Caregivers

Otautau Touch Southland Module

Your child has indicated an interest in playing touch for one of our school teams. The teams are entered in Touch Southland's Otatau module. The games are played each Monday afternoon at Holt Park.

At this stage we plan to enter a Year 1 & 2, Year 3 & 4, Year 5 & 6 and a Year 7 & 8 team. For any or all of the team entries to go ahead we need to have a commitment from your child to play and enough parental support for coaching as required.

Start times are anywhere between 4.15 pm and 5.30 pm. The draw will be published in the school newsletter. It is also available on the Touch Southland website under competitions→draw→primary

To that end could you please complete the form below and return it to the school office by **Monday 13th February**. The competition begins in Otatau on Monday 20th February with the last game on Monday 2nd April.

As these teams will be representing the school each player will need to have a school sports top. These are available from the school office at a cost of \$35.00

There is a cost associated with entering the module. This is \$12 per player and can be paid at the school office via eftpos, cash, cheque or internet banking (A/c No. 03 1748 0003820 00)

If you have any questions, please contact me.

Regards

Ben Witheford
Principal

TOUCH

- Yes I give permission for _____ to play in the touch competition.
- Yes I am available to coach a team (the word coach is used loosely, more supervise☺)

Name: _____ Signed
